CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Council Huddles, 1 Salary Cut, 1 Up, One Status Quoed

A schedule of salaries was set up by the Pahokee city council at Tuesday night's meeting with the mayor's salary remaining at \$150 per month. The city clerk's salary was cut from \$383 down to \$350 per month.

The salary of the police chief was raised to \$225 per month with the usual \$50 still allowed for expenses such as telephone and telegraph and other minor items necessary in law enforcement. The council salary was tentatively set at \$1 a year.

A refund of \$228.33 was voted by the council to B. Elliott for overpayment of taxes in the Velva Elliott Gardens Sub-division. The taxes had been paid on assessment for 1948-49 as a sub-division and during that year no lots had been sold, therefore the refund and a settlement was made on an acreage basis.

Representatives from the Pahokee Rotary Club appeared before the Council with specific requests for council action. P. P. deMoya asked that the city draw up a resolution requesting the Port of Palm Beach to rebuild the city which was destroyed by the hurricane.

Abe Dobrow repeated a former request that the city install a public address system in the council chamber in order that citizens attending the meetings may understand what goes on.

Mrs. J. C. Schoepfel Is New President Of Pahokee P.-T.A.

Mrs. J. C. Schoepfel was elected president of the Pahokee Parent-Teacher Association at the April meeting held Monday night in the high school auditorium with E. A. Jensen, first vice president, presiding in the absence of the president, Mrs. Horace Unwin.

Other officers chosen for the 1950-51 school year were E. A. Jensen, first vice president; O. D. Carpenter, second vice president; C. A. Canip, third vice president; Mrs. Normana Kennedy, secretary, and Mrs. Sam McKinstry, Jr., treasurer. The report of the nominating committee was given by Mrs. F. M. Wilson.

The group voted to sponsor a school boy safety patrol, the patrol to be organized at the start of the new school year in September under the direction of the PTA safety committee chairman. PTA members were invited to attend a silver tea to be given by the Rainbow Girls at the home of Mrs. H. T. Gilms April 16 from 3 to 5 p. m.

The monthly attendance awards went to Miss Reba Henry's second grade room at the elementary school and to the ninth grade at the high school.

On the program the Pahokee High School Band under the direction of Bandmaster, Robert O. (continued on page 8)

3 Young Men Are New Rotary Members

Three young Pahokee men became members of the Rotary club at yesterday's regular meeting. They are: Oscar Dobrow, Edwin Rice and Gene Pickren. They were welcomed into the club's fellowship by Rotarian John A. Dulany in his inimitable manner. Thurmond Knight is chairman of the additional active members committee and said yesterday that more new members are to be taken in next week.

Clean-Up Drive Is Planned To Finish Red Cross Drive

WEST PALM BEACH — Palm Beach County Red Cross fund drive volunteers were mapping plans this week for a clean-up drive to end their annual fund campaign across the county.

P. P. deMoya, county fund chairman said the annual campaign during March only netted the chapter about 70 percent of the fund needed to meet proposed expenditures for next year. He said \$66,045 had been collected. The county fund goal was \$91,325.

Only three communities—Boca Raton, Jupiter and Cana. Point—reached their quotas during the drive in March, the chairman reported.

Returns listed by the county chairman were: Belle Glade, reporting \$1,200—quota \$2,000; Boca Raton, reporting \$1,966—quota \$625; Boynton Beach, reporting \$801—quota \$1,000; Canal Point, reporting \$337; quota \$250; Delray Beach, reporting \$2,500—quota \$6,500; Jupiter, reporting \$438—quota \$350; Lake Park, reporting \$130—quota \$350; Lake Worth, reporting \$6,000—quota \$7,000; Pahokee, reporting \$1,250—quota \$1,500; Palm Beach, reporting \$37,322—quota \$45,750; Riviera Beach, reporting \$850—quota \$1,000; West Palm Beach, reporting \$12,864—quota \$24,500; South Bay-Lake Harbor reporting \$337—quota \$500.

Seniors To Present Their Annual Play

The Pahokee High School Senior Class will present a play, "The Campbells are Coming," a threat comedy by Jay Tobias, in the high school auditorium next month, the tentative dates being, the nights of May 18 and 19.

Included in the cast will be Stella Lou Todd, Barbara Wilkinson, Betty Jean Hicks, Gene Miller, Billy Jay Mosely, Leand Hughes, Tula Makos, Payne Jackson, Percy Geiger, and David Ramey. Rehearsals on the play have already started under the direction of Mrs. Herbert Miller.

Members of the Young Adult Class, First Methodist Sunday school are planning an outdoor party and barbecue to be held on the lake levee this Friday evening at 7 p. m.

Manly Low Bidder On Road 15 N. Of Town Canal Point

Bids were received Monday of this week on rebuilding the road from Canal Point to the Martin County line—a distance of 6.3 miles. J. D. Manly Construction Company of Leesburg, Fla., was the low bidder with a price of \$96,182.76. Work should start within 30 days.

Another contract connecting the Martin county line with Chacey Bay bridge—a distance of 10 miles—was let several months ago and work is now underway. John A. Benton Construction Company of St. Petersburg is the contractor on that piece of road.

Waldschlager Opens Friendly Store

Harry Waldschlager, for many years connected with various business enterprises in Pahokee, has opened his own store on Belle Glade road. It is known as Waldschlager's Friendly Store and handles a complete line of clothing. The proprietor invites his many friends to visit him in his new location.

Funeral Services Held For Gus Roell

Funeral services for Gustav (Gus) Roell, 65, a resident of Port Mayaca since 1927, were held at his home on Connors Highway Thursday of this week at 3 p. m., with members of Everglades Lodge 211, F&M, officiating.

Mr. Roell died from a heart attack at his home Tuesday morning. He was born in Chicago, Ill., and for several years after arriving in the Lake Okeechobee area was employed as manager of the Bessemer Properties interests at Port Mayaca. He was a charter member of the Pahokee BPOE Lodge 1638, a member of Everglades Lodge 211, F&M, a 32nd degree Mason and a Knight Templar, belonging to the Humble Park Commandry Shrine in Chicago.

He is survived by one brother, Thomas Roell, with whom he lived.

The body was cremated. Berry's Funeral Home was in charge of arrangements.

Fish Market Back In Former Location

Upthegrove's Market in Pahokee announces installation of a fish market effective this week. Several months ago the Upthegroves did away with the fish market part of the set-up and replaced it with a full and complete line of vegetables.

Mr. Upthegrove said this week that present plans call for revamping the store so that the vegetables can be moved to another part and the fish market installed in its previous location. The market will announce specials occasionally, the proprietor said.

Pahokee Seniors Hear Alumni Speaker

Members of the Pahokee High Senior Class who attended the University of Florida Alumni meeting at the Army in Belle Glade Tuesday night included Payne Jackson, David Ramey, Stella Lou Todd, Patsy Jensen, Dorothy Kenny, Ralph Crews and Jackie Sullivan. They were accompanied by Ralph Johnson and other local members of the U of F Alumni. Billy Matthews, Alumni secretary, was principal speaker.

Boyd Vorhees Is In Line To Head Lions Club In Canal Point

At the regular meeting of the Cana. Point Lions Club Monday night the nominating committee recommended the following candidates for the annual election of club officers to be held on May 1: Boyd Vorhees, for president; O. H. Sheppard, first vice president; G. T. Echols, second vice president; Grady Boynton, third vice president; Henry Kautz, tall twister; Alton Jones, treasurer; Anell Holt, secretary; J. P. Parker, Lion Tamer; Floyd Erickson, two-year director; W. A. Adams, two-year director, and Albert Fremd, one-year director. Nominations from the floor will be received at next week's meeting. T. W. Griffith, chairman, gave the report for the nominating committee.

A musical program was presented by Marion Martin, Jr., pianist, of Okeechobee, who was introduced by Osceola Upthegrove. Mr. Martin played several piano selections and Mr. Upthegrove sang a solo, accompanied on the piano by Mr. Martin.

Voting Machines To Be Used In Pahokee City Election

The City of Pahokee will use voting machines in the forthcoming annual election if a proposal of County Commissioner Paul Rardin is accepted by the city council. Commissioner Rardin appeared before the council Tuesday night and offered the three machines for use by the city if the councilmen decide to use them. Their use will facilitate returns of the election. Heretofore it has taken election workers until the wee hours of the morning to tabulate the returns. With the machines the returns will be available in a few minutes after the polls close.

Census Supervisor Talks About His Job

Herman Close, assistant district supervisor of the Sixth Census District, was guest speaker at the Thursday luncheon meeting of the Pahokee Rotary Club last week. Introduced by John A. Dulany, the speaker explained to the Rotarians the questions and methods of questioning used by the enumerators in the census taking. He introduced Mrs. Miriam L. Duany, crew leader for the Glades area of Palm Beach County.

35 More Machines For Voting Rented By County Board

Procurement of 35 additional voting machines on a rental basis to take care of demands for county and municipal election on May 2, was disclosed Monday by J. L. Turnage, custodian of the county voting machines.

County Commissioner John Prince said that because three municipalities, Pahokee, Riviera Beach and West Palm Beach, are holding municipal elections May 2—the same date for the democratic primary election—there was not enough voting machines to go around.

To alleviate the shortage, the 107 voting machines now owned by the county, were augmented by renting 35 more machines with the understanding that the \$150 rental on each machine could be applied to the purchase price when the machines were purchased.

Prince said that the 35 machines would have to be purchased for the 1952 primary election.

The commission Monday also voted to call a meeting with representatives of all county municipalities in an attempt to work out election dates that would not conflict. At the present time, a number of city election days fall on the same date as county elections.

Any changes in election laws would have to be made by the next session of the legislature.

'Haphazard' Is Way Councilman Says Pahokee Operates

One Pahokee city councilman expressed the opinion of many men in the street Tuesday night when he said: "I think the city is run most haphazardly. I don't believe it could be run more haphazardly." The councilman making the statement in open meeting was I. J. Frasure, Jr., who is finishing out two years on the council.

In further comment after several questions had been asked by attending citizens, Councilman Frasure said: "I believe that a city manager is the answer to Pahokee's problems."

Several citizens and taxpayers were in the audience and sought information regarding operation of the city, its budget, its operating expense and other intricate workings of city government.

Tuesday night's meeting was more or less a round table discussion and many citizens in the audience took part in the good natured repartee that was bandied about the council chamber.

Jimmy and Judy Schuettler, accompanied by Earl Douglas Meredith, spent the Easter holidays with their grandmother, Mrs. Elsie Woodruff, in Boynton Beach.

Marilyn and Buddy Herndon visited friends and relatives in Lake Wales and Lakeland over the weekend.

A REMINDER

(Editorial From Miami Herald)

Okeechobee will inaugurate on April 15 what is hoped will be an annual Governor's Day. Governor Fuller Warren, and other prominent state officials will participate in the ceremonies.

The "Big Lake" folks will stage a community holiday in the grand manner and with the full-scale hospitality characteristic.

But when the final speaker has ended the oratory, when the last fish is fried and the booths and exhibits are closed down, there will remain the plaque unveiled during the day.

It will be a constant reminder that it was in Okeechobee that the first meeting was held of citizens from seventeen South and Central Florida counties to work for the flood program for all this area, that is now in process of construction.

That was truly a historic meeting. Another generation will hail it as one of the most significant gatherings in the economic development of the state.

DEMOCRACY IN ACTION

(Editorial From Okeechobee News)

When the disastrous 1947 hurricane hit Central and South Florida causing over \$100,000,000.00 in property damage and loss of taxable revenue citizens decided it was time for action.

On October 6, 1947, a mass meeting was called by the Florida State Cattlemen's Association. More than 300 citizens from 19 counties met with representatives of the Office of Chief Engineer, U. S. Army, the Everglades Drainage District, Senator Claude Pepper and Congressman J. Hardin Peterson in the County Court House at Okeechobee.

The "Flood Control Committee of Florida" was formed to work for flood control and water conservation for this area. That this committee was able to bring the project to its present state in such short time is the marvel of this age.

The plaque which will be dedicated here during Okeechobee's First Annual Governor's Day, April 15, 1950, will be a monument and constant reminder of what team-work and cooperation can accomplish.

News Notes From State Capital

TALLAHASSEE — Financial sickness cleared a little as the state beverage department this week predicted an extra \$3,500,000 and Comptroller C. M. Gay estimated the schools of Florida might come out with their full appropriation after all. However, needy people had their state welfare checks cut 18 per cent, with an explanation from the Commissioner, Sherwood Smith, that state funds are low and that's the reason. Comptroller Gay is predicting that schools will get by without closing or cutting teacher salaries. This cheerful prediction didn't include, however, anything about the rest of the state getting off the 90 per cent appropriations under which they now operate, or about increasing old age assistance.

TALLAHASSEE — More and

more legislators have joined Senator W. A. Shands of Gainesville and Senator Leroy Collins of Tallahassee in agreeing to a special legislative session this fall, if schools close early this spring. Many are caught in election campaigns in which they are charged with educational troubles and the sales tax as well. State School Superintendent Tom Bailey hasn't helped them by his stern demands that lawmakers quit pushing the schools around and produce money instead of promises. They don't like it, but they can't find an answer except in agreement on an extra session. Governor Warren has given no indication that he is considering such a session.

TALLAHASSEE — The Associated Press and Transradio Press have politely declined to cut out

their flash race results, on suggestion of Attorney General Richard W. Ervin that they are being used for illegal gambling. The AP told the Florida Railroad and Public Utilities Commission that it would consider an order against its continued flash service as a "form of censorship". Both services indicated they would fight any attempt to halt transmission of racing news in any form. The commission took the matter under advisement, pending more definite proof that flash results actually are used by bookmakers.

TALLAHASSEE — Attorney General Richard W. Ervin this week gave his opinion on the following subjects:

FUNCH BOARDS—Cities cannot license punch boards; it is the sheriff's duty to prevent their use.

FISH—Fish and game commission cannot by rule allow fishermen to use as many poles as desired without buying license.

VOTING—Citizens overseas in

foreign service four years cannot register for voting until he lives in Florida one year.

TAXES—Draglines and other extra equipment may not be part of motor vehicle carrying them, and therefore be subject to taxation.

TRAFFIC—The city of Gainesville has the same control over traffic on streets running through the University of Florida as outside the campus.

CONSTABLE — Deputy sheriff has a right to arrest a constable, just like any other citizen.

BALLOTS—Wartime provisions for sending ballots to members of armed services out of state, have been repealed.

HOMESTEAD—Man living in one county may claim homestead exemption in another county where his family lives, but not in both.

VETERANS—License tax exemption for veterans does not extend to war veterans of other nations.

Quarterly Meeting Is Planned By Methodist

Dr. Henry Blackburn, superintendent of the Miami District of Methodist Churches, will deliver the sermon at the morning service at the Pahokee First Methodist Church Sunday, April 16. Following the service a fellowship dinner will be served on the church lawn and at 2:30 p. m. Dr. Blackburn will conduct the church's fourth quarterly conference.

At the evening service, starting at 7:30 p. m., Teu-Wang Tong, student at Louisiana State University, who is studying sugar cane processing at the USSC mill in Clewiston, will be guest speaker. He will speak on "The Situation in China."

Mr. and Mrs. W. Harper Kendrick and children of Bartow spent the Easter weekend with her parents, Mr. and Mrs. J. B. Elliott, in Pahokee.

From where I sit... by Joe Marsh

Gabby Enjoys Going to The Dentist

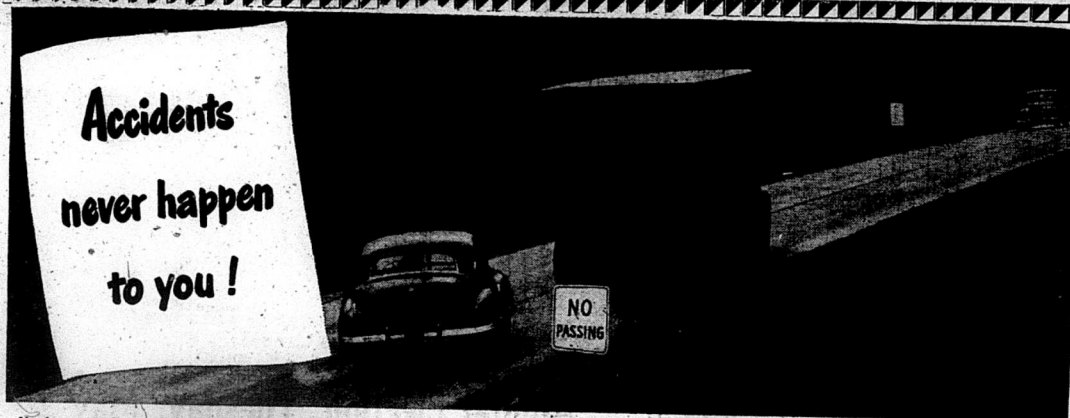

One of my molars was giving me a bad time Tuesday afternoon, so I slipped over to Doc Jones, hoping to catch him free. When I arrived, Gabby Jackson was sitting there reading a magazine. I said hello to Gabby and he nodded.

Doc comes out and says I'm next. "Wait a minute," I says. (My tooth seemed to have stopped aching.) "How about Gabby—doesn't he have an appointment?" Doc smiles and says, "Gabby? Why, he's got the finest teeth in the county. He just comes up here and reads the magazines whenever he's in town!"

As Doc went to work he told me that he's glad to have Gabby come up and read magazines . . . they might not all be fresh off the newsstand, but if Gabby—or anyone wants to while away some time who is he to stand in their way?

From where I sit, this "live and let live" spirit helps make America what it is. If I prefer a friendly glass of beer with my supper and you prefer milk—who's to say one's right and the other wrong?

Joe Marsh

You're a good driver! Of course, you step on the gas a little too hard at times, but that's nothing. You've never had so much as a dented fender

in all the years you've been driving! Like most motorists you're a good driver—most of the time. Accidents never happen to you!

He was a good driver, too—most of the time. Then one day he stepped on the gas a little too hard and a little too often. This was his (very first

(and last) accident. Too bad he didn't learn that accidents can happen to the best driver... if he's careless.

Good brakes make good drivers better. Have your brakes, tires, and lights checked regularly by a qualified mechanic. You

have to see in time and be able to stop in time to prevent accidents. But remember, a car is only as safe as its driver.

Too many drivers think this sign means "slow down and take a quick look." Careless driving habits like this kill hundreds and injure thousands every year.

OKEECHOBEE TO STAGE FIRST ANNUAL GOVERNORS DAY

Celebrating the First Annual Governors Day, Saturday, April 15-16, Okeechobee will pull out all the stops with a thrill packed program scheduled to attract visitors from every section of Florida. Events include an All-Star Rodeo, officially sanctioned by the Rodeo Contest Association. Dedication of a tablet commemorating the first flood control meeting ever held in the state, a colorful pageant and parade and a contest for the World's Championship Catfish Skinner. General Chairman Ammon McClellan states that Governor Warren and many state officials and dignitaries plan to attend the event. A Regatta with 104 watercraft participating will be featured Sunday morning, April 16, followed by a Rodeo program in the afternoon.

Victory Class Has New Set Of Officers

Recently elected new officers of the Victory Class, First Methodist Sunday School, include Mrs. M. F. Homan, president; Mrs. Leo Maxwell, vice president; Mrs. Ronald Watson, sunshine chairman, and Mrs. G. W. Byrd, Sr., assistant membership chairman.

Faith Brown Has A Birthday Party

Faith Brown celebrated her thirteenth birthday anniversary at a party given by her mother, Mrs. Clyde A. Brown, and her aunt, Mrs. Dan Morris, at Mrs. Morris's home Friday from 7 to 9 p. m. Games were enjoyed and refreshments were served by the hostesses to approximately 50 guests.

Rallies Are Planned For Candidates

Public rally speeches have been arranged in the Everglades for state and county candidates. A rally will be held in Pahokee on the night of April 25 and in Belle Glade on the night of April 28. In Pahokee the city candidates will be invited to make their maiden speeches on the same night.

To Attend Grand Chapter OES Meeting

Members of the Pahokee Chapter, Order of Eastern Star, who planned to attend the OES Florida Grand Chapter meeting in Orlando this week included Mrs. Eta Mae Friend, Mrs. Eleanor Holden, Mrs. Edna Barrett, Mrs. Virginia Adams, Mrs. Ruth Carpenter, Mrs. Pearl Hamilton, Mrs. Mabel Young, and Mrs. Jessie Barnes.

Mr. and Mrs. J. W. Wood returned to Miami Wednesday, after a brief visit with his parents, Mr. and Mrs. B. W. Wood, in Pahokee. Mr. and Mrs. Norman Kennedy had as their guest over the weekend her mother, Mrs. Dewey Morris of Delray Beach.

Mr. and Mrs. Lloyd Hundley had as guests last weekend Mr. and Mrs. Robert Apelgren of Miami. Mr. and Mrs. J. C. Phillips of Wauchula spent Sunday visiting their son and daughter-in-law, Mr. and Mrs. Jack Phillips, and other relatives in Pahokee.

H. Dennison Parker has returned to his home in Chattanooga,

Would Make Detour Safer For Autos

Prospects for a less dustier detour around a construction job on State Road 80 between the Glades and West Palm Beach appeared brighter this week following action recommended to the Palm Beach County Commission Monday by Commissioner Pau Rardin of Canal Point.

Mr. Rardin advised the commission that the two-mile detour around the construction job was so dusty at times that motorists were obliged to halt their cars until the air cleared. He recommended that some sort of dust proofing, possibly having the detour sprinkled with water at intervals by the construction company, be asked by the commission.

The board authorized Commissioner Chairman Lake Lytal to make such a request to the construction company.

Vice Chairman Rardin, Monday, also opened the way for lease of a plot of county owned land near Bagin Point Rd. for farming purposes. Rardin moved that the land be leased to Carmen Salvatore, Sr.

for a price of \$20 an acre. The motion was approved by the board. The Canal Point commissioner also reported Monday that the Southeast Florida Cattle Show held at Belle Glade last week was a great success and that promoters of the exhibition had expressed their appreciation of the co-operation offered by the County Commission.

Other action by the commission Monday included:

Authorizing Chairman Lytal to investigate possibilities of providing radio facilities for the Sheriff's department without purchasing new equipment. The sheriff's department is presently operating in conjunction with the State Highway Patrol and the commission has been advised that those radio facilities will not be available any longer after July 1 because state equipment will be shifted to another operating frequency which is not adopted to equipment used by the county law officers.

Heard a report that a county-wide traffic survey to determine which sections of county highways were in need of traffic signals, will be launched within 30 days by the representatives of the state traffic safety department.

Learned that a proposed system of traffic signals for Royal Park Bridge in West Palm Beach had been approved by city officials in the Palm Beaches and that equipment was now being ordered for the traffic lights. The new system is designed to relieve traffic congestion on the bridge during rush hours.

Received a request from Pine Ridge Hospital, advising the board that the cost of taking care of county patients was exceeding money budgeted for the work. The hospital asked that the board consider the matter when next year's budget was drawn.

Approved a request from Radio Station WJNO to use commission offices to broadcast election returns of the county democratic primaries May 2.

Granted a two-weeks leave of absence to County Engineer J. M. Boyd for a tour of active duty with the Navy at Washington.

Authorized adoption of a resolution setting aside funds received

from the state for registration of airplanes in Palm Beach County to be used for airport markers.

20 Minor League Teams Now Train At WPB Airport

Predicting that "we have what is going to be one of the finest training camps in the country," Art Ehlers, director of the Philadelphia Athletic farm clubs, Monday expressed the appreciation of his organization for the co-operation of the Palm Beach County Commission in making International Airport available as a training camp.

Ehlers appeared before the county commission at its regular meeting Monday with Lucias Ordway, owner of the West Palm Beach Indians, one of the A's farm club and the local entry in the Florida International League.

The farm club director, who said the Athletics baseball club operated the third largest farm club system in major league baseball, had nothing but praise for the commission in providing facilities for the training camp at International Airport.

"We have received all the help we have asked for," Mr. Ehlers said, and added that County Commission Chairman Lake Lytal, who has handled the majority of the baseball clubs requests, had been most cooperative in assisting the Athletic management in getting the training camp established.

Ehlers reported that there were 363 baseball players now training at the airport baseball plant and that before the spring training season ended, some 600 men from all parts of the country will have taken part in the training schedule here. Nearly a score of minor league ball clubs have been coming here since February 20 for spring training.

The farm club director said that Connie Mack, president of the Athletics, was well satisfied with facilities at the county airport and "I see no reason why we can't stay here for years to come."

The present lease extends for five years with an option to renew the lease.

Mr. Ordway expressed his appreciation for the cooperation given by the commission saying "what the county has done to help out, has been great—you people (the commission) have been marvelous."

Chairman Lytal, as a keepsake, was presented an autographed baseball at the meeting, signed by the managers of the 14 farm clubs which are training at the airport.

Julian Snyder Home For Spring Holidays

Julian Snyder, former Pahokee high school foot ball star and PHS graduate, is home on spring vacation this week from Western Kentucky at Bowling Green, Ky., where he entered last fall as a freshman. Julian is studying physical education and biology. Yesterday he was talking about the weather in Bowling Green as compared with that on the shores of Lake Okeechobee. It goes without saying that there is no comparison. Julian will return this week end to resume his studies.

Tabb Is Improving Gunshot Wounds

J. C. Tabb, former guard with the State Road Department convict camp at Indiantown, is recovering from gunshot wounds received six months ago Wednesday when a shot gun was accidentally discharged by another guard. Mr. Tabb said day before yesterday when asked how long he had been incapacitated, that his foot and leg were on the mend. His ankle bears heavy scars from the accident that laid him up for half a year.

VOTE FOR

W. A. KEEN

Candidate For

Chief of Police

Of the City of Pahokee, Subject To
The Annual Election, May 2

I feel my past experience as a law enforcement officer for twenty years in this state dealing with criminals and solving crimes, fully qualifies me for this office. I have served as prison captain and studied the nature of crime, was police, deputy sheriff, and was elected sheriff of Sassa County and have also done a lot of detective work solving three bank robberies, several safe-breaking, a number of murder cases and lots of other had crimes highly commended by the W. J. Burns Detective Agency of New York, and Detectives of this state for solving important cases of crime and apprehending the men. A large portion of this crime was solved by me after I was elected while sheriff. I feel that I thoroughly know the duties of a law enforcement officer and if elected I shall drill my men as to their duties and the courtesy and good judgement to use while enforcing the law. I feel that there are capable young men in Pahokee, and I shall select and school some of them for this work. I shall faithfully perform the duties of this office so as to have a high standard of courteous and efficient law enforcement for Pahokee. I have been a successful businessman here in Pahokee for the past thirteen years. I own my home and other property here. I have a wife, two sons, and one daughter. We all belong to the Baptist Church here. If elected, I shall cooperate with the city council, mayor, and the different civic organizations, and the public, and help to promote a more progressive Pahokee. I will do my best to help pay the city out of debt. I do not believe in wasteful spending. I believe in handling the city's business just as carefully as I do my own and will see that every dollar the Police Department takes in will go to the city. I shall keep a correct set of books on all I do showing all money taken in and the disposition of each case, and will do my best to conduct the office in a manner that will be an honor to myself and men, and a credit to all of Pahokee. Experience means a success in any business, and I have had twenty years experience dealing with criminals and law enforcement. Thank you for your vote and support.

CHURCH OF CHRIST, SCIENTIST

"DOCTRINE OF ATONEMENT" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, April 16.

The Golden Text is: "If any man sin, we have an advocate with the Father, Jesus Christ the righteous" (1 John 2:1).

Among the citations which comprise the Lesson-Sermon is the

following from the Bible: "And Jesus said, For judgement I am come into this world, that they which see not might see; . . . I am the good shepherd, and know my sheep, and am known of mine" (John 9:39 to 10:14).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage. His mission was both individual and collective. He did life's work aright not only in justice to himself, but in mercy to mortals,—to show them how to do theirs, but not to do it for them nor to relieve them of a single responsibility" (18:3-8).

Baked Food Sale Scheduled Saturday

The Pahokee First Methodist Choir is sponsoring a baked foods sale in front of the postoffice Saturday, April 15, starting at 9:30 a. m. to raise funds for the payment of the new robes recently purchased for the Junior, Vespier and Senior Choirs at the church.

Choir officials announce that there is still a considerable amount due on the robes. Persons willing to assist in the project are asked to bring their baked foods, candies and the like to the sales table in front of the postoffice Saturday morning or contact Mrs. L. W. Armstrong or Mrs. Ruth Meredith who will make arrangements to have them picked up. Cash contributions will also be welcomed, according to the officials.

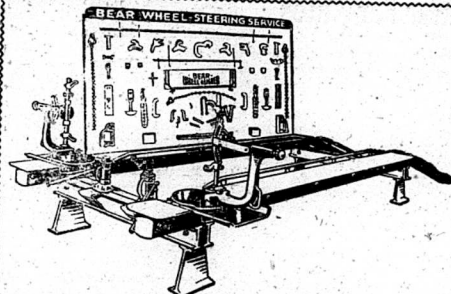

Girl Scouts Will Attend Jupiter Camp

All Pahokee Girl Scouts and Brownies will attend Camp Margie Daniels at Jupiter on April 29 to acquaint themselves with the camp there.

Girl Scout leaders and other associated with the Girl Scout movement will meet at the home of Mrs. H. M. McIntosh for the purpose of working out plans for the trip to the camp and outline work for next year.

Mrs. W. J. Larrimore visited friends and relatives in Okeechobee Sunday.

Mrs. Velva Elliott was a business visitor in West Palm Beach on Tuesday.

PAUL'S SERVICE STATION
— CANAL POINT, FLORIDA —

The churches of the Everglades extend a warm welcome to every person to attend church on Sunday. You'll get a deep satisfaction out of attending the church of your choice. With the beginning of a New Year there is no better time than NOW to make a resolution to do a better job attending church in 1950 than you did in the year past. You'll personally enjoy the wonderful messages of faith which are in store for you during this good year ahead. Today, make a resolution that one hour out of the week's 168 will be devoted to church services. Can you do less? Watch the columns of The Everglades News for church announcements weekly. The Lake Region is blessed with a group of fine churches. Your attendance will make the work of these churches more successful.

Cinematic Chatter

By Malcolm Millar

One of the nicest fourthsomes that has been cast into a picture will make their bow on the screen of the Prince-Theatre Sunday, for the Sunday-Monday run. They are Clark Gable, Lana Turner, Ann Baxter and John Hodiak. The show is "Homecoming."

The story is a great tale of a surgeon who entered the war and there met a lovely, but scornful, nurse. They battle along for quite some time during the odd moments out from patching up wounded soldiers, but love blooms at last... yes, a torrid, violent love. Then the nurse—Lana Turner—is killed

and the surgeon—Clark Gable—returns home to the faithful wife he left behind, Ann Baxter, and his devoted friend Dr. Robert Sunday, portrayed by Mr. Hodiak.

This fine moving drama is with out doubt worthy of a reward for the fine portrayals, great story and excellent direction.

See you at the movies—Mal.

Slow Brains Driving Fast Cars Is Cause Of Many Accidents

TAMPA — Florida's mounting traffic deaths can be reduced only when each individual driver assumes his responsibility in the operation of his vehicle and the streets and roads are wide enough to take care of the increased registration of vehicles.

There are nearly 1,000,000 motor vehicles registered in Florida, and the past season there were more than 4,700,000 tourists in Florida who brought more than 900,000 motor vehicles as reported by the State Chamber of Commerce. You can realize what a congestion these cars are making on our streets and highways.

Florida has 50,230 miles of roads suitable for traffic which includes state, county and municipal maintained roads, as reported by the State Road Department.

The road mileage is not sufficient to take care of the increased registration of vehicles.

Our increased death rate and injuries from traffic accidents, stated Asher Frank, Director of Florida Safety Council, are due, unfortunately, to the state as well as municipalities not being able to increase and improve its roads in proportion with the increased registration of state vehicles as well as the thousands of tourist cars that come to our state annually.

Gas consumption of 69,200,776 gallons during February shows an increase of nearly 7,000,000 gallons as in the same month of 1949.

NOTICE OF ANNUAL MEETING OF LANDOWNERS OF PELICAN LAKE SUB-DRAINAGE DISTRICT

Notice is hereby given that pursuant to call of the Board of Supervisors of Pelican Lake Sub-Drainage District, the annual meeting of the landowners of said District in the Post Office Building at Canal Point, Palm Beach County, Florida, on Friday, April 28, 1950, at 10:00 o'clock A. M. for the purposes of:

1. Electing a Supervisor;
2. Receiving annual reports and taking such action with respect thereto as the landowners may determine; and
3. Transacting such other business as may come before the meeting.

—definitely, more people are driving cars.

What Is Causing These Accidents? Frank attributes the rising toll to, "Too many 20-miles-per-hour-brains driving 60 miles per hour on a 20 mile per hour road."

BEACH PARTY

The Intermediate boys and girls of the Pahokee First Methodist Sunday school will enjoy a beach party at the Lake Worth Casino this Friday afternoon. They will be accompanied by Mrs. George Ramey, Mrs. Gordon Schuestler and Mrs. Ruth Hatton.

Woman's Club Has Business Luncheon

Mrs. W. H. Jones, Jr., president, presided at a business luncheon held by the Pahokee Woman's Club in the clubhouse Tuesday.

Mrs. Frank Friend was named as delegate to represent the club at the State Federation Convention to be held in the Hillsborough Hotel, Tampa, on April 25.

Plans were made to sponsor a rummage sale in front of the Showboat theatre Saturday, April 15, starting at 2 p. m. Mrs. V. L. Geiger and Mrs. A. C. Watson were appointed in charge of this project. Mrs. Lewis Friend was appointed chairman of the committee in charge of serving the banquet for the B&PWC installation meeting at the clubhouse on the night of April 18.

Mrs. W. H. Rogers, Mrs. Morris Baxter and Mrs. A. C. Watson were named on a committee to take an inventory of the clubhouse kitchen equipment and make recommendations for purchasing articles that need to be replaced, the purchase to be made by Mrs. Marjorie Henderson.

Appointed on a committee to nominate new club officers were Mrs. J. C. Schoepel, Mrs. M. I. Keen and Mrs. Sam McKinstry, Sr.

Mrs. Violet Hall, Mrs. Josepha Kahn and Mrs. Morris Baxter were on the hostess committee in charge of luncheon arrangements at the meetings.

Mrs. J. C. Schoepel—

(Continued from page 1)

Lampi presented a concert which included numbers which were played by the band at the recent District Band Contest in which it won first division ratings in all categories. Sidney Caruthers directed one number, demonstrating the student conducting technique which won for him a first division rating in the contest. Performances were also given by two other members of the band who won first division ratings, Charles McCurdy playing a clarinet solo and Nina Russom, an alto saxophone solo. Both were accompanied at the piano by Rita Fay Hurt.

Following the program, refreshments were served to members of the band in the school cafeteria, with Mrs. V. L. Geiger in charge of arrangements.

Batchelor - Stapler

Mrs. Ollie M. Batchelor of Pahokee announces the engagement of her daughter, Miss Celina Amy to Oliver Richard Stapler. The wedding will take place soon.

Brownie Troops Are Registered; 1st Time

For the first time in the history of the local Brownie movement all Brownies in Pahokee Troops are registered.

There are three Brownie Troops now active in the Pahokee area. Troop Four, with 13 members, has Mrs. J. G. Barker and Mrs. Elmor Jones as troop leaders, Rev. Ralph Todd, Mrs. H. L. Carter and Mrs. James H. Wilson, committee members; Troop Five, with 12 members, has Mrs. Charles Kernen and Mrs. R. M. Young, troop leaders, Mrs. Louis Mims, Mrs. H. M. McIlwain and Mrs. W. H. Jones, Jr., committee members; Troop Six, with 12 members, Mrs. Joyce Cobb and Mrs. V. L. Geiger, troop leaders, Mrs. W. P. Culberson and Jack Spencer, committee members.

Buffet Supper By Pahokee Sorority

The Beta Omicron Chapter, Beta Sigma Phi Sorority, met for a buffet supper at the home of Mrs. Meg Graham on Thursday night of last week.

The ritual of jewels, conducted under Mrs. Graham's direction, was conferred on Mrs. Clara Beverly, Mrs. Margaret Ingle, Mrs. Mildred Jensen, Mrs. Catherine Kennedy and Mrs. Jo Phillips. Mrs. Evelyn Lair was in charge of the ritual for the pledges, Mrs. Virginia Cross, Mrs. Georgia Moon and Miss Ruth Evans.

Bouquets of spring flowers were used to decorate the Graham home for the affair. In charge of arrangements were Mrs. Christine Elliott and members of her membership committee.

Mr. and Mrs. F. L. Hand and daughter, Linda, and Mr. and Mrs. Pete Hollon and daughter, Diane, visited Bok Tower and Cypress Gardens Sunday.

DOUBLE-TALK

Doesn't Pay Doctor Bills!

Claude Pepper's opponents have been doing a lot of sounding off about what they call "socialized medicine" in this campaign. It's no good, they say, "it's socialized" -- to want to protect your life-savings by paying insurance when you're well, to cover expenses when you're sick.

Is Government insurance that insures your bank account "socialized banking"? Then what's "socialized" about a plan that insures your health -- and does it at a fraction of the cost of any private plan now in existence?

What's "socialized" about a plan that lets patients choose their own doctors and doctors their own patients?

Well, the people of Florida know this kind of double-talk doesn't make sense, or pay any bills either. And they know Claude Pepper is for National Health Insurance for the same reason he is for all progressive legislation -- because it does the most good for the greatest number of people.
